Angie Keys

What do you like to do in your free time? I like to spend my free time with my grandkids.

How long have you worked as a Direct Support Professional? I have been a provider on and off for 20 years.

How did you start in the field? Growing up, my mom worked in a classroom with students who had special needs and I would go every year to meet her students.

Has there ever been anyone that has stood out to you as a mentor in this field? My mom is the person that inspired me.

What is your favorite thing to do with the people you serve? I enjoy taking them out to meet up with their friends and showing and sharing new experiences with them. I like getting them involved in their communities.

What is your favorite part of being a Direct Support Professional? My favorite part of being a DSP is being able to make a positive difference in the lives of the people we serve.

What makes Angie a great DSP?: Angie is one of the most kind, caring and thoughtful people we know. She puts the needs and wants of the individual first. The people she serves are like family to her. We are blessed to have her as a provider.

Thank you for your outstanding contributions to helping people with developmental disabilities and their families in Medina County. Thank you for sharing your dedication and commitment to making a difference in the lives of others every single day.
