Create a safe and comfortable home through behavior management.

Join the MCBDD for a 1-day CPI Verbal Intervention Training for family members and independent providers who are interested in learning about ways to create a safer home and workplace.

Throughout this training, attendees will learn:

- How to interpret distress behaviors and address the cause of the behavior to de-escalate situations
- How to identify and respond appropriately to various levels of crisis behaviors
- How to use communication skills to be supportive to de-escalate potential conflict situations
