

Driving with a Disability

How do I know if my teen or young adult is ready to drive? What can we work on at home to prepare for learning to drive? How do I know if it is safe for my loved one to drive with their disability? What can we expect during a driving assessment? Who do I contact for an assessment? We will answer these questions at our next Transition Booster session.

Speaker: Julie Dominik, OT/L, Certified Driver Rehabilitation Specialist, Licensed Driving Instructor, Cleveland Clinic Mercy Hospital

Date: Thursday, January 23, 2025

Time: 6:30-8pm

Location: Zoom
